

## ✔ Policy Review Landing Page – Required Changes (For Waitlist Launch)

Hello,

We need to publish the landing page now for **waitlist + early access users** (platform review engine is still under development).

Please make the following updates **without changing the existing design/layout** — only remove sections and update text/images as mentioned.

---

### 1) Replace Homepage Stats Section

**Current:**

- 50,000+ Policies Reviewed
- ₹500 Cr+ Assets Analyzed
- 4.9/5 Customer Rating

**Replace with (same design/placement):**

- **Transparent Analysis**
  - **Zero Bias**
  - **No Spam, Ever**
- 

### 2) Remove Rating/Stats Image Below Heading

Below the heading: “**Is Your Insurance Policy Really Worth It?**”

There is an image showing:

- 4.9 rating
- ₹500 Cr analyzed
- 50,000 policies reviewed

✔ **Remove this image**

✔ Add a new image/badge instead: “**Launching Soon**” (same space)

---
